**Subject:** From VTA: 2016 Measure B transparency website beta release

VTA Board of Directors, Advisory Committee Members, and 2016 Measure B Citizens Oversight Committee Members:

VTA is excited to share early access of the **2016 Measure B transparency beta website**, a window into its 2016 Measure B program revenue and spending.

The website will be in beta through the end of August as we make changes and prioritize new features based on user feedback. We expect to launch a final site in the fall.

Please [view the full announcement and Features Tour in your browser](#).

The screenshot shows the top section of the website. On the left is the '2016 MEASURE B' logo with the VTA icon. In the center, it displays '\$653.6 Million Collected' and '\$755.6 Million Allocated'. On the right is an 'About' button. Below this is a navigation bar with three steps: 1. Transaction Type (dropdown set to 'Award'), 2. Program Categories or Grantees (optional) (dropdown set to 'Filter by Category'), and 3. Search and select projects (optional) (input field for 'Project Name'). There are 'Search' and 'Clear' buttons. Below the navigation bar is a callout box titled 'See how 2016 Measure B has been spent' with a list of features: 'Filter by program categories or grantees', 'Search for a specific project by name', 'Visualize funding in a chart or map', and 'Download project data as a PDF or CSV'. A 'Read More' link is at the bottom of the callout.
