 - Hyatt House Hotel at Vallco Park

Project Partners

- Santa Clara Valley Transportation Authority
- City of Cupertino
- Caltrans

I-280/Wolfe Road Interchange Improvements Existing Conditions

I-280/Wolfe Road Interchange Improvements

Partial Cloverleaf Interchange (Widened Structure)

An aerial photograph of a highway interchange. A multi-lane highway runs vertically through the center. A bridge crosses over this highway from left to right. On either side of the bridge, the highway continues with curved ramps that merge back into the main highway lanes. The surrounding area includes residential neighborhoods with houses and some open, undeveloped land. The sky is clear and blue.
