VTA Construction Update

Mathilda Avenue Improvements at US-101 and SR-237

Effective: Mid-February 2019 - May 2019

The following will be in effect as indicated, weather and conditions permitting.

What:

VTA, in coordination with the City of Sunnyvale and Caltrans, will begin construction to reconfigure the US-101 and SR-237 on-and off-ramps, and widen Mathilda Avenue between Almanor/Ahwanee Avenue and Innovation Way. This project is designed to reduce congestion and improve traffic on Mathilda Avenue for all modes of travel including pedestrians, bicycles, and transit. Construction will occur in three stages. It is expected to be complete in Summer 2020.

Where:

Mathilda Avenue between Almanor/Ahwanee Avenue and Innovation Way; and, US-101/Mathilda Interchange.

Mathilda Avenue between Almanor/Ahwanee Avenue and Innovation Way

- Removal of median
- Removal of sidewalk, curb and gutter
- Restriping lanes and shifting traffic
- Installation of K-Rail
- Widening between US-101 and Almanor
- Paving
- Trenching and installation of irrigation and electrical equipment for new signals and lighting

Southbound US-101 on- and off-ramps at Mathilda Avenue

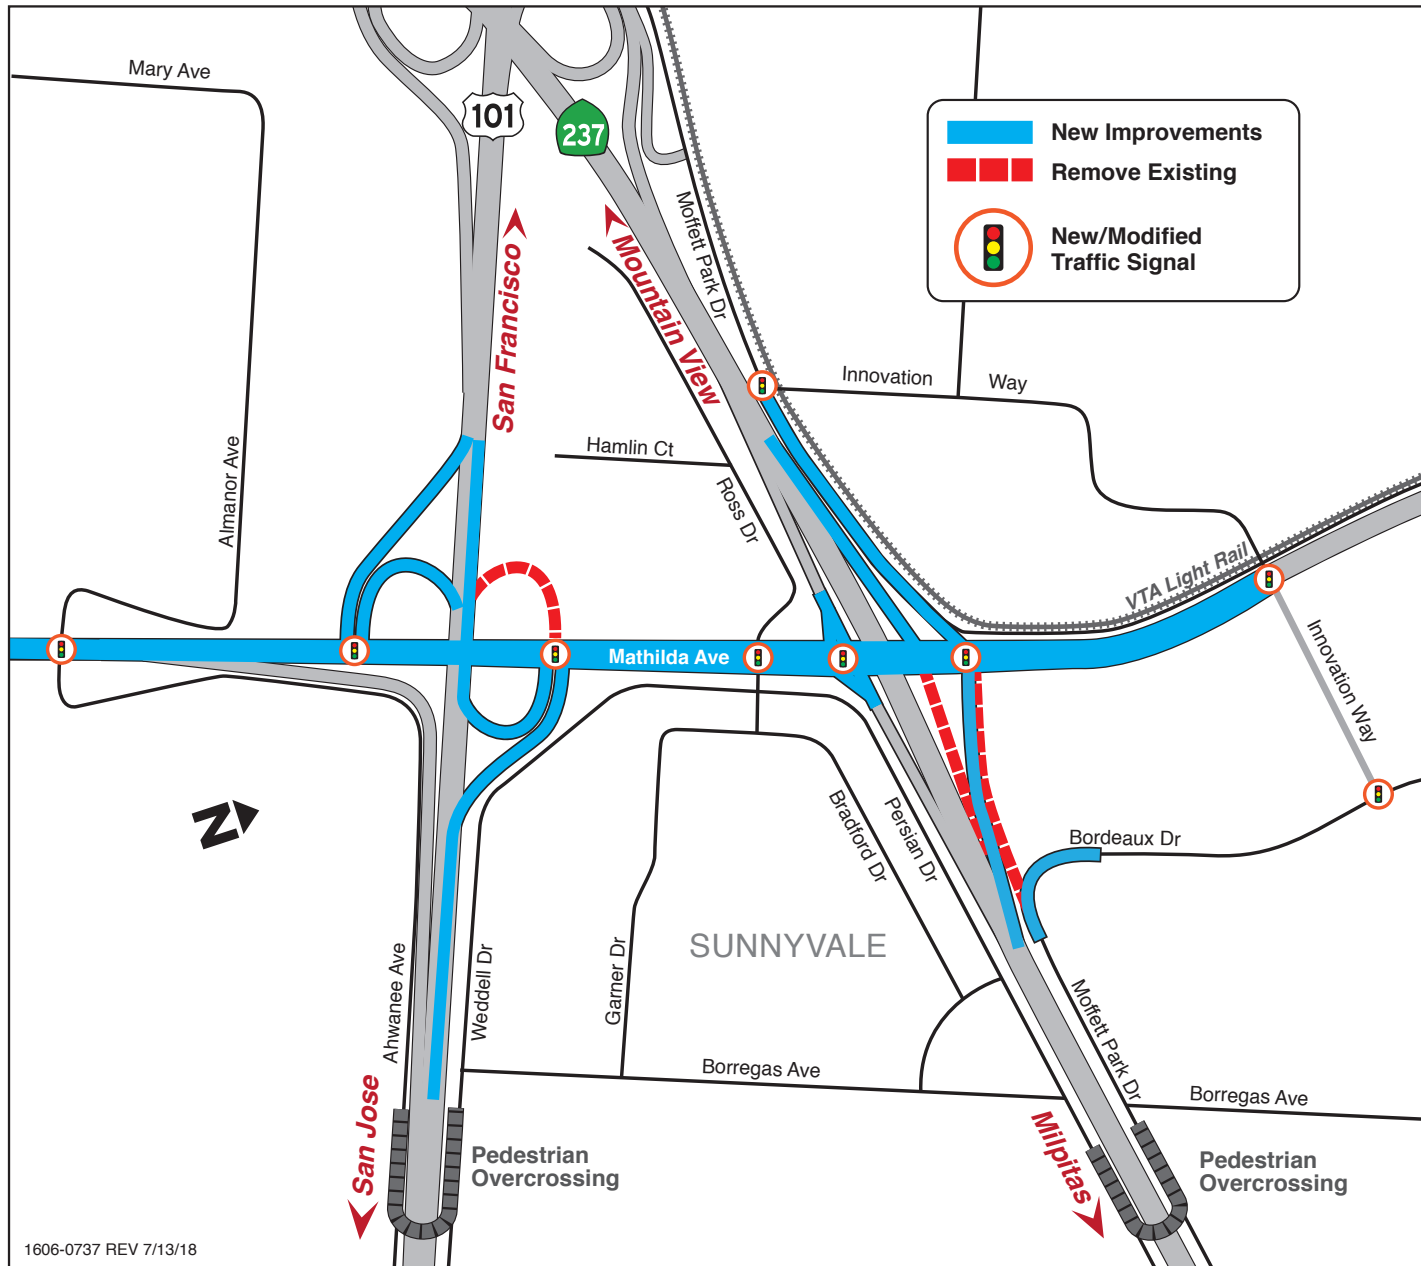

- Installation of K-Rail
- Excavation and paving
- Temporary striping
- Lane shift

Intersection of Bordeaux Drive and Innovation Way

- Modifying striping
- Installation of K-Rail
- Removal and replacement of sidewalk and ADA ramp

Westbound 237 Mathilda Avenue off-ramp and Moffett Park Drive

- Installation of K-Rail
- Modify striping
- Temporary paving
- Lane shift

When:

- Monday – Friday 7:00 a.m. to 6:00 p.m.
- Overnight activities as needed 8:00 p.m. to 5:00 a.m.
- Occasional Saturday work 8:00 a.m. to 5:00 p.m.

NOTES: For the safety of the public and construction workers, traffic control measures will be in place. Please use extra caution in the construction zone and be aware of flagmen, signage, barricades, and cones. Construct crews will make every effort to maintain access and minimize inconvenience to motorists, bicyclists, and pedestrians. We appreciate your patience during the construction process!

About VTA:

Santa Clara Valley Transportation Authority (VTA) is an independent special district that provides sustainable, accessible, community-focused transportation options that are innovative, environmentally responsible, and promote the vitality of our region. VTA is responsible for bus, light rail and paratransit operations; congestion management; specific highway improvement projects; countywide transportation planning and provides these services throughout the county including the cities of Campbell, Cupertino, Gilroy, Los Altos, Los Altos Hills, Los Gatos, Milpitas, Monte Sereno, Morgan Hill, Mountain View, Palo Alto, San Jose, Santa Clara, Saratoga and Sunnyvale. VTA continually builds partnerships to deliver transportation solutions that meet the evolving mobility needs of Santa Clara County.

Impacts:

- Noise and vibration from construction equipment
- Traffic delays
- Temporary, intermittent lane closures or detours
- Temporary striping and lane shifts
- Temporary bus stop closures

Pedestrian access will always be maintained. For your safety, please use any posted detours.
