QUESTIONS AND ANSWERS

SET # 1

TO : All Prospective Bidders
FROM : Ehab Azab, Contracts Administrator
SUBJECT : Set #1 - Contract C19010 – Cerone Division Emergency Generator Replacement

Q1. Upon review of the pre-qualification requirements for Contract No. C19010 Cerone Division Emergency Generator Replacement, I would like to request clarification on the HAZ certification requirement under “H. General Contractor and Engineering Firms”. Is the prime contractor required to meet this requirement, or can it be met through a subcontractor?

A1. It can be met through a subcontractor. All of Contractor’s subcontractors must also be properly licensed to perform the work for which they are responsible. Subcontractors does not need to submit a pre-qualification package for this contract.

If you have any questions, please do not hesitate to contact me at (408)321-5835.

Sincerely,

Ehab Azab
Construction Contracts Administrator
