Request for Pre-qualification of Bidders

Cerone Division Emergency Generator Replacement Contract C19010

NOTICE is hereby given that the Santa Clara Valley Transportation Authority will receive sealed bids tentatively in June 2019 for the above Contract.

PRE-QUALIFICATION REQUIREMENTS: Prospective bidders should note that this Contract requires pre-qualification of all prospective prime Contractors.

The Pre-Qualification application is contained in the – Request for Pre-Qualification of Bidders. Only those firms that have been found to be qualified in the pre-qualification process are invited to submit sealed bids with pricing information.

Project Description: The Work will include furnishing all labor, supervision, materials, equipment and incidentals which are necessary to removing the two-existing propane-fueled standby generators from the Energy building (Building F), and replacing them with a single diesel-fueled generator located outdoors. Contractor will create a tie-in to the existing underground storage tanks (USTs) used for bus fueling operations. Contractor shall provide a fully functional emergency generator system to serve as the energy source back-up system during energy interruption.

Only the seal bid from the Prequalified Prime Contractors will be received by the Contracts Office at 3331 North First Street, Building A, San Jose.

In order to download the Request for Pre-Qualification document, it is necessary to register as a vendor on the VTA Website at www.vta.org. Click on “About Us” then Click on “Procurement” from the left menu then click “register now” then provide your email or copy this link: <http://www.vta.org/about-us/procurement/vendor-settings?action=Register>.

Inquiries regarding this Request for Pre-Qualification may be directed to Ehab Azab at Email: ehab.azab@vta.org or Phone (408) 321-5835.
